Sir:

Transmitted herewith is a "Supplemental Preliminary Amendment" for the patent application identified above.

The fee paid when the application was filed on February 2, 2005, was that required for a patent application filed by a small entity having:

1. thirteen (13) claims total¹; and
2. three (3) independent claims.

After entry of the accompanying "Supplemental Preliminary Amendment" the patent application will have:

1. twenty-three (23) claims total²; and
2. four (4) independent claims.

¹ Dependent claim 10 was "Canceled" in the "Preliminary Amendment" presented when this United States patent application was filed on February 2, 2005.

² Dependent claim 10 status remained as "Canceled" in the accompanying "Supplemental Preliminary Amendment" filed herewith.

Enclosed with this transmittal letter is a check in the amount of \$ 175.00 in payment of the small entity fee for:

1. three (3) claims total in excess of the twenty (20) claims total included in the combined small entity "Basic National Fee," the "Examination Fee" and the "Search Fee," i.e. $(23 - 20) = 3 \times \$ 25.00 = \$ 75.00$; and
2. one (1) additional independent claim in excess of the three (3) independent claims included in the combined small entity "Basic National Fee," the "Examination Fee" and the "Search Fee," i.e. $(4 - 3) = 1 \times \$ 100.00 = \$ 100.00$.
